Digital Curriculum Catalog

2019-2020

Unlock Success for Struggling Students

Apex Learning Courses and Tutorials address the challenge of the diverse needs of students including making rigorous curriculum accessible to struggling students who may be below proficient readers, ELL students, or students with learning gaps.

Tutorials Catalog

Offer seamless, personalized instruction, practice, and review to ensure all students reach and exceed grade-level mastery so they pass their classes the first time, excel on high-stakes exams, and are prepared for postsecondary success.

More Success for More Students

Dropout rates decrease

State exam scores go up

Student passing rates go up

On-time graduation rates increase

More students on grade-level, increasing performance on high-stakes exams

Increased on-time graduation rates and reduced dropout rates

About Apex Learning

Schools and districts nationwide implement Apex Learning digital curriculum to personalize the learning experience and support success for all students—from those who are struggling to those capable of accelerating. Proven to increase outcomes, Apex Learning digital curriculum actively engages students in learning, with embedded supports and scaffolds to meet the needs of diverse learners. During the most recent school year, there were more than 3.6 million enrollments in Apex Learning digital curriculum. Headquartered in Seattle, Apex Learning is accredited by AdvancEd and its courses are approved for National Collegiate Athletic Association eligibility.

“Apex has given them hope and that gives them motivation.”

Charles Jones

Principal, North Little Rock Academy
